

ERGOLASH®

The Innovative Ratchet

NEW

ERGOLASH® is founded on a simple idea. Improve the existing ratchet by inserting the lashing strap sideways into the ratchet shaft in an uncomplicated motion.

2" x 30' ErgoLash Ratchet Strap with flat hooks

PN 23490063

2" x 30' ErgoLash Ratchet Strap with wire hooks

We embodied a simple idea into the existing ratchet. Forging a new custom designed high-alloy and hardened half-open ratchet shaft, strengthened the ratchet wheels and optimized the handles

ERGOLASH® re-innovates the 50-year old ratchet so everyone using ratchet straps can enjoy a new and effortless way to load-secure.
